IRON
HACK

UAX Digital Garage by Ironhack

How to setup your password

At the start of the course, you'll receive an email inviting you to generate a password before your first access to Ironhack's Student Portal. You should click on "*Update my account*":

Welcome to Ironhack Student Portal!

You are about to take your first steps into a new learning experience. First of all, let's set up your password:

[Update my account](#)

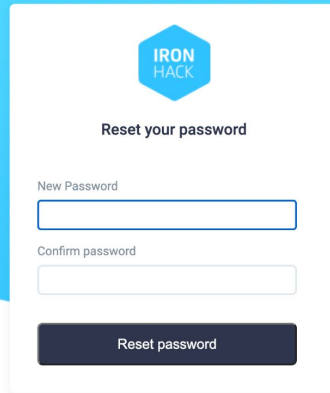

If you are not able to access the platform, go [here](#) and click on forgot your password or reach out to your Ironhack contact.

May the force be with you!

The Ironhack Team

How to setup your password

You will be directed to the login page and asked to create your own personal password:

The screenshot shows a 'Reset your password' form for 'IRON HACK'. At the top is the 'IRON HACK' logo, which consists of a blue hexagon with the text 'IRON' above 'HACK'. Below the logo is the title 'Reset your password'. The form contains two input fields: 'New Password' and 'Confirm password'. The 'New Password' field is currently empty and has a blue border. The 'Confirm password' field is also empty and has a light gray border. At the bottom of the form is a dark blue button with the text 'Reset password' in white.

How to navigate within the Student Portal

The screenshot displays the Student Portal interface. At the top, there is a navigation bar with a logo, a 'Course' link, a 'My Profile' link, and a user email '@gmail.com' with a dropdown arrow. Below the navigation bar, the main content area is divided into three columns: 'Getting started', 'Tools', and 'About assessments'. The 'Getting started' column contains four lesson cards: 'Prework rules', 'Prework goals', 'Team and community', and 'Diversity and inclusion'. The 'Tools' column contains seven lesson cards: 'Installation section - overview', 'Anaconda and Jupyter', 'MySQL', 'Tableau', 'Command Line Intro', 'Command Line - Managing files', and 'Git & GitHub Intro'. The 'About assessments' column contains three cards: 'Technical challenges - the goals', 'Tutorial: Qualified', and 'Prework Demo Assessment'. To the right of the main content area, there is a search bar with a magnifying glass icon and the text 'Search'. Below the search bar, there is a box containing two buttons: '< Previous module' and 'Next module >'. An arrow points from the text 'These commands allow you to navigate between modules' to this box.

ASSESSMENT

Prework Demo Assessment

Each of these blocks contains course material

How to navigate within the Student Portal

After accessing each unit block, you'll be able to navigate between blocks or travel back to the course view by clicking on the side bar menu:

Prewrite rules

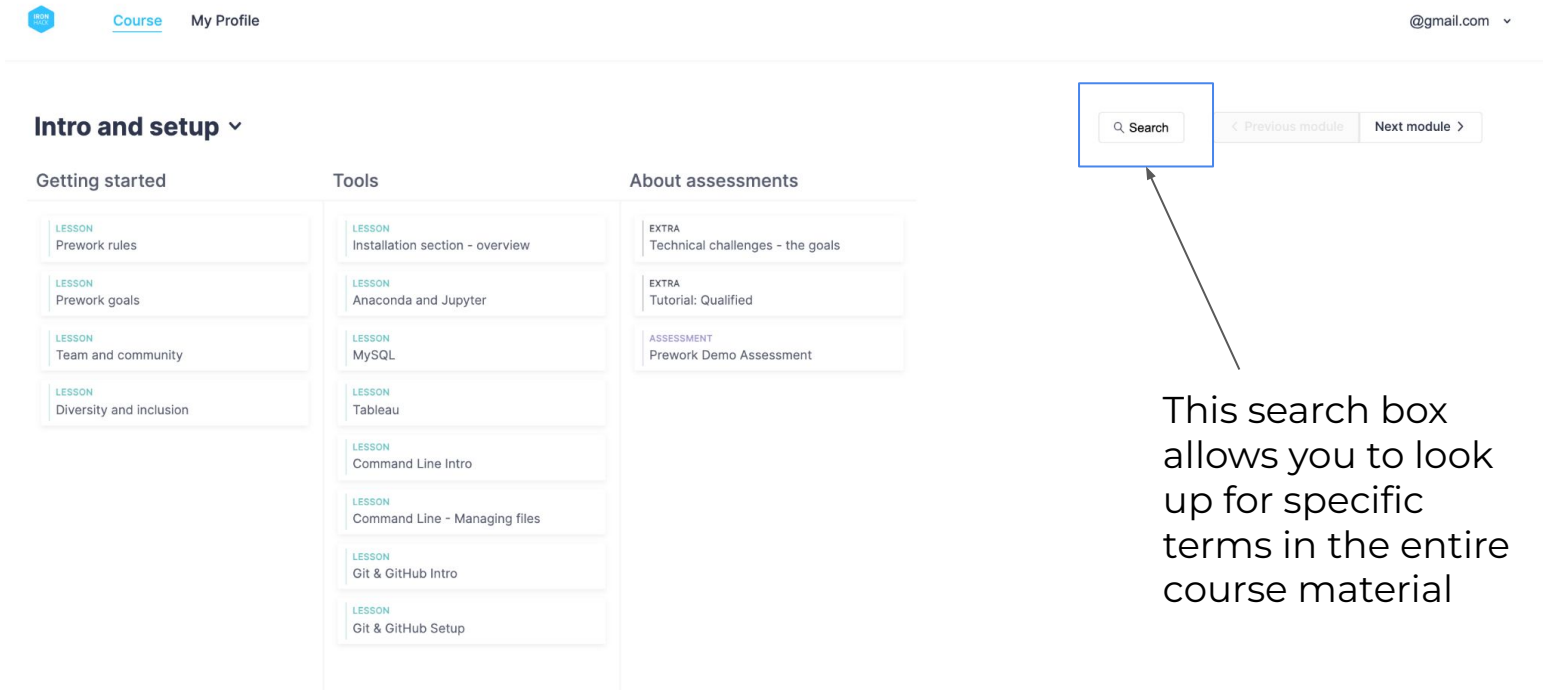

LESSON

General

To be able to attend the bootcamp, it is necessary to complete the tasks listed below. Under any circumstance, if the tasks are not completed, the student will be moved to the next cohort, with no exceptions.

1. Students have to complete 100% of the prework.
 - All deliverables should be submitted no later than 3 days before the bootcamp starting date.
 - Students have to be up-to-date with payments.
 - The bootcamp must be paid 20 days before the start date unless a specific financing option with an agreed payment schedule has been signed during the admissions process.
 - Students must have a laptop fully set up for the bootcamp, as shown below.

How to navigate within the Student Portal

The screenshot shows the Student Portal interface. At the top, there is a navigation bar with a logo on the left, a "Course" link, a "My Profile" link, and a user email "@gmail.com" with a dropdown arrow on the right. Below the navigation bar, the main content area is divided into three columns: "Getting started", "Tools", and "About assessments". The "Getting started" column contains four lesson cards: "Prework rules", "Prework goals", "Team and community", and "Diversity and inclusion". The "Tools" column contains six lesson cards: "Installation section - overview", "Anaconda and Jupyter", "MySQL", "Tableau", "Command Line Intro", and "Command Line - Managing files". The "About assessments" column contains three cards: "Technical challenges - the goals", "Tutorial: Qualified", and "Prework Demo Assessment". To the right of the main content area, there is a search bar with a magnifying glass icon and the word "Search". Above the search bar are two buttons: "< Previous module" and "Next module >". A blue box highlights the search bar, and an arrow points from the text below to it.
